Outreaches and how we
wrapped up the end of
2022

HAVE YOU SEEN US ON YOUR STREETS?

Thanks to a generous donation from our international office, we have been able to both buy and brand a bus that we can use to transport our volunteers to outreaches.

If you see us on your street, come say hello!

Prayer and Margins 2023 Vision

Firstly I would like to thank everyone who has been holding hands with Every Home for Christ Prayer and Margins department for the past 3 years. I truly appreciate your love and compassion for marginalised people in our society. To those who pray with us for our nations and the ministry of Every Home for Christ, you are highly appreciated. To our Prayer and Margins Coordinators throughout the country - thank you for your time, commitment and dedication as well as your prayers and making sure prayer training is happening within your respective provinces. I especially want to draw focus to volunteers and partners in ministry - we truly appreciate you and could not achieve all that we have without your concentrated efforts.

We thank God for the year 2023 as we embrace the theme of the year - 'Together'. As prayer and Margins South Africa, we are saying 'Together' we can reach everyone who has a heart of prayer, a drive for teaching prayer and a compassionate heart for the marginalised group of people within our communities

We have been focusing on children, old women and men, people living in the streets, youth rehabilitation centres and women for the past 3 years, but this year we are going to include marginalised people whom we were not working with, such as:

1. People diagnosed with Down's Syndrome
2. Schools for disabled children
3. Wayward youths
4. Homeless people

We also want to achieve, with our Prayer

1. Effective prayer Coordinators in all provinces
2. Corroborate with other prayer Ministries within the nation
3. Prayer training on WhatsApp or in churches (please contact us in you need your church to be trained on prayer using our EHCSA prayer materials, BFAM prayer material, or Change the World School of Prayer.

Please contact us if you need training! We look forward to more collaboration this year!

Jesus changes everything.

As we look back on the past year, November and December have been particularly inspiring months! We had a chance to reflect on our achievements while also taking in new insights presented by Pastor Saritah Chitapa at the National Directors Conference in Adisa Ababa. With these ideas fresh in mind, it's time to start looking ahead - come 2023, we've got some big plans for establishing more home prayer groups throughout our continent!

We are so grateful for the amazing accomplishments made possible by God, our incredible partnerships and our volunteers! Through prayer training, home groups and Prayer & Margins coordinators working endlessly behind the scenes, we have been able to bring hope to those who need it most – children living in poverty or marginalised circumstances; vulnerable young people; elderly citizens and disabled individuals. November 2022 was a time of reflection as we reconnected with the prayer groups that had sprung up over the year. We made sure to check in and see how everyone was doing, offering our continued support.

Last year, I had the pleasure of joining Riaan and our Prayer and Margins team on a special international donor visit to Cape Town. Not long after that, we travelled up north to meet with their colleagues in Vaal. Pastor Lucas was kept busy throughout November and December 2022 hosting outreaches all over South Africa—most notably Tembisa where he utilized door-to-door evangelization as well as street prayers.

November and December 2022 were a powerful time of spiritual growth in our community as we joined forces with the Pastors from Tembisa Fraternal to focus on discipleship. Pastor Lucas organized an incredible prayer meeting, attended by many passionate ministers who subsequently promised to be part of future prayer events and volunteer opportunities. We are so grateful for these partners that God has brought into our lives - may their commitment see us continue progressing towards achieving amazing things.
